

BECOME AN AGENT

City Hosted has a complete line of Hosted Phone Services that you can offer your clients to upgrade them to the latest technology, provisioned across a rock-solid Metaswitch platform, from a name you can trust.

Unparalleled Commission:

Now you can sell the full share of the wallet including bandwidth, dial tone, faxes, long distance, equipment and earn an amazing 20% on the hosted seats.

We Install the Phones:

Rest assured that one of our service techs will install the new phones correctly and on time.

Rock-Solid Performance:

The service simply works. That means less service calls, less hassle, and more satisfied customers for you.
